Dear CEA Family,

The Conchita community is made up of people with the same vision for now and for the future. That vision is educating, guiding, and nurturing young people so they find, bring out and utilize their inner gifts.

We have done this for almost 80 years. You are an integral part of this community and as such we are asking you to be an active part in the growth of CEA. On Friday, May 4, we will be celebrating our 4th annual Walk for the Future. Walk for the Future is an annual walkathon to raise monies for our school improvements. In the past the monies have been used toward remodeling our 2nd floor, building the early learning center, and technology. This year the money will be used for remodeling the first floor classrooms.

As an alumnus, you are a part of the Conchita community. It would be great if you would pick a grade or a favorite teacher and sponsor a student on his/her walk. You can do this by making a direct donation via Pay-Pal on our website or a check made payable to CEA. We'll be putting your name as an Alumni Sponsor on a banner for that day.

We'd love to have you come on the 4th and walk with us. You are an inspiration to our students and examples of the great things that happen here.

Please stay connected. If you have not registered your name on our alumni page, please do so.

We look forward to seeing you on the 4th and anytime you have a moment to stop by.

You will always be Conchita's legacy.

Maribel Z. Diaz  
Director
