

From the desk of Maribel Zubieta-Diaz...

It's that time of the year again – time for Family Affair!

This morning as I walked in, I was met by mothers joyfully decorating our hallways, not only with beautiful Christmas trees, ornaments, and ribbons, but also with an energy of love, trust and excitement.

Family Affair is a special day to rejoice in the blessings we have been given and to look around and value the wonderful place we have built together.

Conchita is a place of creation, achievement, growth and excellence. We think out of the box. We value our differences and learn from them. We open our minds and hearts to learn, to share, and to grow. We all have a unique and extraordinary gift to share. This is what Family Affair is all about. So, spread the news! Invite your family and friends. Share on Facebook. Let our former students know.

On Family Affair day we celebrate us – the heart of Conchita.
