Dear Parents,

Part of our commitment to prepare our students to be global citizens includes giving them the opportunity to learn to speak various languages.

The CEA after-school French Language program is designed for students in 3rd through 8th grades to learn to speak French, read and write in French, and grow in their understanding and appreciation of the French culture. Classes will begin the week of September 3rd and will be twice a week. In addition, a "parent class" will be available for adults who are interested in learning a new language. Student classes will have a maximum of 10 students, and schedules will be organized, as much as possible, to not conflict with other after-school classes. It is important to register as soon as possible, as enrollment will be limited.

Once your child is selected and placed, the first payment should include a one-time \$80.00 fee for materials and the monthly fee of \$150.00. If you are interested in enrolling in the adult class, please add your name to the form as well.

*Of note, the French language program is not a substitute for Spanish, but rather inclusion in the program will require that your child demonstrate Spanish language proficiency and competence.

To register your child in the French program, please complete the attached form and return to the Main Office no later than **Wednesday, August 29th**.

If you have any questions, please contact Lorian M. Novoa, Ed.D. at lnovoa@conchitaespinosa.com.
