

Legacy Road Brick Program
... Pave the way toward Conchita's Legacy

Support Conchita's Legacy with the Legacy Road Brick Program.

This program provides a unique opportunity for students and families to support our school by putting your name on a brick on our new Legacy Road. These commemorative bricks are a great way to leave a lasting mark on our campus and support Conchita's legacy.

For \$300, your brick will be engraved with your personalization and installed on Legacy Road.

Each 4" x 8" brick accommodates an inscription of up to 3 lines (20 characters per line). You may purchase as many bricks as you like.

For each brick purchased, you will receive a special Certificate of Registration recognizing your contribution and confirming the inscription you have submitted as it will appear on the engraved brick.

Space for bricks is limited, and they will be installed in the order in which registrations are received.

Leave your legacy today on the CEA campus with a personalized Legacy Road Brick.
