Dear Parents,

As a part of CEA's commitment, growth and vision to prepare our students to be global citizens, we have extended our Language program to include French. Each year the program has grown, and we are thrilled to introduce more levels this year, due to the demand of the program.

This after-school French language program is designed for students in grades 3 through 8. Classes will begin the week of September 5th and will be twice a week. In addition, a "parent class" is available for adults who are interested as well. Student classes will have a maximum of 10 students, and schedules will be organized, as much as possible, to not conflict with existing after-school classes. It is important to register as soon as possible, as enrollment will be limited.

Once your child is selected and placed, the first payment should include a one-time \$80.00 fee for materials and the monthly fee of \$150.00. If you are interested in enrolling in the adult class, please add your name to the form as well.

Of note, the French language program is not a substitute for Spanish, but rather inclusion in the program will require that your child demonstrate Spanish language proficiency and competence.

Should you be interested in your child participating, please complete the form below and return to the Main Office no later than Tuesday, August 29th.

If you have any questions, please contact Loriana M. Novoa, Ed.D. at lnovoa@conchitaespinosa.com. If you are interested in scheduling private lessons, please contact Ms. Marie at macero@conchitaespinosa.com.
