SUMMER PROGRAMS

All new students entering Pre-Primary through 8th grade are required to attend our Summer program. This gives new students the opportunity to become familiar with the school and all its programs. Summer programs begin Monday, June 11, 2018 and end on Friday, July 20, 2018.

We offer a variety of programs in the summer to meet the needs, interests and talents of our students. New students in Pre-Primary through 3rd Grade may participate in Adventures in the Arts. This program combines a daily hour of reading and an hour of math review combined with music, dance, art, theatre, and sports to round out a fun summer day. Students entering 4th - 8th Grades will attend a daily reading and math review and then go on to participate in an intensive program. Students may choose to participate in the sports or technology intensives or audition for a spot in one of the Conchita Espinosa Conservatory of the Arts intensive programs in dance, visual arts, music, voice or theatre.
