## **Walk for the Future 2012**

### **May 4, 2012**

February 6, 2012

Dear Parents,

Walk for the Future's focus is on community building through a united purpose. We are raising funds that will enhance our physical facilities and benefit all of our student body. We have these wonderful facilities because of the efforts of many generations of students and we want to continue to build on what has come before. As a community of like-minded people, our efforts create a sense of unity, pride, and immense satisfaction in a job well done.

The money raised in all of our fund-raising efforts goes directly back to programs, equipment, materials, and spaces that benefit our students. Look around the school and classrooms. You can see the tangible products of your efforts and be proud you have been such an integral part of the updating and remodeling of our school.

May 4, 2012, has been set aside as our *4th Annual Walk for the Future*. Once again, each student will get sponsors for his/her walk. Class delegates have already begun arranging bake sales, movie nights, and other opportunities to raise grade-level funds that will help us meet our goals. Every little bit helps.

The funds are needed and valued, but even more is the spirit of cooperation and community that such an event inspires. We want every student, teacher, staff member, parent, sibling, etc., to feel he/she is an integral part of this community and his/her contributions make a difference. If you have any questions or suggestions, please feel free to contact Ms. Jolliff at [cjolliff@conchitaespinosa.com](mailto:cjolliff@conchitaespinosa.com).

We know we can count on you, your enthusiasm, and your support.
