

## Sports Registration Information 2025-2026

### Requirements

**Sports Waiver and Release** - Any student who plans to participate or try-out for any after-school sport or track mastery during the school year needs to submit a completed Sports Waiver and Medical Release (Attached). This form must be completed and signed by your child's physician, and signed by the parent. It must be the attached form - **not a general waiver form**.

Students will not be allowed to play or practice for a sport unless we have this waiver and release on file in the main office!
